FIRE RETARDANCY CERTIFICATION

July 26, 2016

EVS Director
Your Hospital
Street
City, State, Zip Code

Re: Your Hospital Curtaining

Dear EVS Director:

This is to certify that the Curtaining supplied by JW Draperies, Inc. for the above referenced facility is Fire Retardant by merit of being a woven FR blend polyester yarn for inherent and permanent flame resistance. Fabric meets the requirements for both NFPA 701 and California Fire Marshall Title 19 test methods for vertical flammability.

Sincerely,

A handwritten signature in black ink that reads "Tol Butler". The signature is written in a cursive style with a long horizontal stroke at the end.

Tol Butler, Sales Manager
JW Draperies, Inc
